by deleting SECTIONS 1, 2 and 3 of the printed bill as amended, and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 68, Chapter 211, Part 1, is amended by adding the following as an appropriately designated new section:

Section 68-211-1____. The department may issue permits authorizing the use of treated ash aggregate (TAA) as a building material in construction or site preparation applications in commercial and industrial settings. Treated ash aggregate (TAA) as used in this section means bottom ash or fly ash resulting from incineration of municipal solid waste as defined in Tennessee Code Annotated, Section 68-211-802(10) that has been treated to assure that it is not a hazardous waste as defined in Tennessee Code Annotated, Section 68-212-104, and rules thereunder.

SECTION 2. Tennessee Code Annotated, Section 68-211-103, is amended by deleting subdivisions (8) through (11) in their entirety and by substituting instead the following:

(8) "Solid waste" means garbage, trash, refuse, abandoned material, spent material, by-products, scrap, ash, sludge, and all discarded material including solid, liquid, semisolid, or contained gaseous material resulting from industrial, commercial, agricultural operations, and from community activities. Solid waste includes, without limitation, recyclable material when it is discarded or when it is used in a manner constituting disposal. Solid waste does not include solid or dissolved material in domestic sewage, or solid or dissolved materials in irrigation return flows or industrial
